Conferences

Louisiana HOSA hosts two yearly conferences

The first conference is the **Fall Forum** held in October. This day focuses on learning about HOSA, the development of leadership abilities, and career perspectives.

The annual **State Leadership Conference (SLC)** in March allows members to attend numerous workshops, an expo, & an opportunity to compete in some of the 60 events offered by Louisiana HOSA. Every member is urged to compete in at least one event. This three day conference is **THE** big event of the year for Louisiana HOSA!

Members who qualify in competition at the SLC have the opportunity to compete at the **International Leadership Conference (ILC)**. Members from all over the World meet at the ILC to learn, compete, and meet other students in HOSA! **The 2019-2020 ILC will be in Houston, Texas!**
