

Louisiana HOSA is *Looking for a Singer*

At the start of every conference we will try to have colors presented, say the pledge, and sing the National Anthem.

Deadline: February 11, 2020

(singer and alternate will be announced February 21)

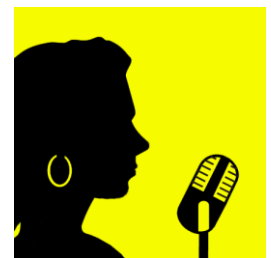

Soooo.... we are on a search for a HOSA member (student) with a great singing voice who can hit the high notes! This person will perform the anthem on stage after the pledge. Please ask your HOSA members if anyone is interested. There will be one person chosen to sing, and one more chosen as an alternate in the event the first singer is unable to perform on the day of the conference. (we have had that happen!)

The following will be required to apply to sing:

- Submit a CD of them singing with name and school written on it
- Or
Make an appointment to call and sing over the phone
- Or
Send an audio text message or audio email
- Student may have the anthem music (without words) playing in the background
- Or...student may sing the anthem without background music
- Student chosen and alternate must attend the conference
- Student chosen and alternate must be in HOSA uniform (black or navy) when performing
- If you sent in an audition for Fall Forum and wish to try again, please re-send it.

Send CD to:
