February 11, 2018	Online Testing Closes at 11:55pm
February 23, 2018	Advisors Notified of Round 2 Qualifiers

To Do:

- Log into the National Website;
- under conference registration click on Identify Proctor for Online Testing
- Fill in the information
- Shortly after, you will receive an email with a username and password. This is used only for testing
- Proctor should familiarize with the testing system beforehand as instructed in the email

When Testing

- Make sure students submit test when finished, or they will have to retake it
- Remember, no notes, open books, cheat sheets, etc. are allowed during testing
