

Louisiana HOSA is *Looking for a Singer*

At the start of every conference we have colors presented, say the pledge, and have the National Anthem performed.

Deadline: February 26, 2021

(singer and alternate will be announced March 1)

Soooo.... we are searching for a student HOSA member with a great singing voice who can hit the high notes! This person will perform the anthem after the pledge. Please ask your HOSA members if anyone is interested. There will be one person chosen to sing, and one more chosen as an alternate in the event the first singer is unable to perform on the day of the conference. (we have had that happen!) The singer will perform live at the start of the conference.

The following will be required to apply to sing:

- Submit an audio audition of the student singing the Anthem.
- Student must be singing the anthem without background music
- Student chosen and alternate must attend the conference
- Student chosen and alternate must be in HOSA uniform (black or navy) when performing

Send email audition to: shirlene.lahosa@gmail.com or

Send text audition to: 337-371-5974

100 HOSA Cup points will be awarded to any chapter that has at least one student apply to sing. (Points will be one time per chapter no matter how many from a chapter apply)
